Was the Mark Set by the Gang at Lancaster, Pa.

THEY GOT TOO GREEDY

Chief Wilkie Tells How They Were Caught, Red-Handed.

New York, May 2-The World Says: With plates as flawless as the United States Government's own dies; with curiry's own making, the band of counteriters, captured in Lancaster and Philaophia last week, had planned to clear \$10,000,000 in the next two years.

No bolder or brainler band of counter iters had ever organized. No shrewder eme was ever devised in this country defraud the government.

Their capture was the eleverest feat the history of the secret service. These are the eight conspirators:

giant in strength, a persistent, dogged rough executive; devouted to his fami y, free from petty vices; by profession char manufacturer in Luncaster, Pa. William L. Kendig; a cigar manufacurer in Lancaster Pa.; son-in-law of a

Arthur Taylor; a mechanic and inven-Baidwin S. Bredell; a Philadelphia en-

Harry K. Newitt; a well-known lawof Philadelphia; socially prominent and a former district attorner very prominent lawyer of Philadelphia candidate for Judge o the United

States District Court. Jumes Burnes; ex-policeman and spe I guard at the counterfeiting. Samuel B. Dowwney; Deputy Revenue factor of the minth district.

Chlef Wilkie regards Jacobs as the corner-stone of the plet. He is a remarkable

Jacob's ancestors helped settle the state His father, Dr. Jhon N. Jacobs, founded he Perkiomen National Bank of Pennsburg. Pa. The old gentleman is worth thomoson. The son could have had any casonable amount, but he prefered to make money his own way.

Jacobs is a clear manufacturer of Lan-

evenue stamps on cigars. The tax is \$1.00 a thousand. By saving this he lid it, selling \$1,000,000 cigars annually, In elaborating his plans he gathered bout him Kendig, Taylor, and Bredell, He put Kendig in a dummy clear factory it Lancuster, whose output was only 10, on eigars annually. There the counterfelting of revenue stamps was done. The success of the bogus pevenue stamps ted Jacobs to plan counterfeiting Trea-

sury notes on a large scale. A begus fill sliver certificate of the "Mource" officials, every one, although it aws but experimental. Only \$10,000 of these ware circulated in July and August of 1977. In January of 1898 the front was disvered and the whole issue of \$16.460 o withdrawn from circulation by Sec-

sinte was it to distinguish the genuine out Jacobs knew he must have the as-The other day Newitt and Ingham were created in Philadelphia coarred with be-Jacobs wanted to know what the Secret Scruice men wery doing. The only he

could find out was from the Secret Service men. Samuel R. Downey Internal prison, was on his lat, but Downey had Jacobs wanted to control Captain Mo.

the Secret Service, Newitt and Ingham tere churged with paying McManus \$500 u two occasions. McManus was to keep Jacobs informed of every move of the Secret Service for twelve months for \$500

trusted those who did. This is one misake he made. McManus took the money, CHILD, SOFTENS the GUMS, ALLAYS known McManus he would never have ap-

The supposed purchase of McManus was He hasn't a cover thing about him. the first stop in the big counterfeiting was paid twenty-five dollars a week for some high officials in the Sun-Treasury d New York or Philadelphia, who was bouged into genuine Treasury notes on Wherever the Soinstens have convened easy instalments within two years. The really draw from \$100 to \$250 a month in cation relieves the pain, and this quick to limited \$1,000,000 if necessary.

"Jacobs, the head of the conspirators, sum, a most remarkable man. I had a good have absolutely eposit qualities. Taylor in I watched him at Lancaster for is a man of infinite patience, phlegmatic on and 6 a. m. in his lear factory and physically. He is the ideal man for rebe would go back again as fresh as he to engravers. He made some important would be. He could coulty do the work of two powerful day liberate. "He understood when he conceived the plates until he had solved the paper probdea of counterfelting the revenue stamps that to make a success of it he would he whole thing depended upon consis-

and repeated lying.
"William L. Kendig was just the man. He is big-eyed, quick-witted, a gentleintelligence to observe and the facility to 10 paste the two sides together.

"As indication of this peculiar ability, his wedding trip. A man who can acquire of the Sub-Treasury at Philadelphia disdelicate art of that kind simply by covered the counterfelt. thirty minutes' observation has a wonderful mind. He it was who concocted all department called in the whole issue of he stories necessary to deceive friends, \$25,000,000. One morning Jacobs read in neighbors and relatives at Lancater. In the newspapers that the issue had been fact whenever there was a sudden emergency Kendig's resourceful milnd was always equal to it.

"The manufactur of the Internal Revenue paper was due to Kendig. This paper is of the regulation bluish-green color. The distinctive feature of the genuine is the water-mark U. S. L. R. The government specifications require that these etters shall be spaced in a peculiar way, time and have them circulated through and the question confronting Kendig was how he could set the paper.

"It is a peculiar fact and one that done by Jacobs that the paper was arranged for one and a half years before was used.

country paper mill not far from Laneaster. The proprietor was a guileless old fellow of very limited experience in the ways of the world. He made some for lining cigar boxes.

"To this old man Kendig introduced ster. Pa., Seven years ago he conceived and that he expected enormous returns posit, and later draw out the money in would need many tons of paper, and to bills of smaller denominations, so that he undersell his competitors, and he best to have a water-mark, U. S. L. R., money back, in the paper instead of a trade mark. "The old man was anxious to please

him and promised to do his best. The Kendig, Burns, Taylor and Bredell, each water-mark in paper is made by what to receive \$2,000,000.
